Future TV stars?

Posted on 23 September 2011

Philippa Lysaght from the OECD came to visit the ABS several weeks ago. She interviewed some members of the MAP team (Imogen and I were able to get out of it :) asking us about the MAP 2.0 consultation. Philippa works for Wikiprogress and it's blog ProgBlog.

Here is a short video of the MAP team, answering questions about our project.

In the video are Sue, Helen, Madeleine and Michael from the MAP team along with Philippa.
